

# Imagicle Contact Center for MS Teams

The Omnichannel Contact Center Solution you  
need for MS Teams.

 Solution certified for  
Microsoft Teams

 Microsoft 365 Certified

A photograph of a contact center environment. Several employees are seated at white desks, each equipped with a computer monitor and a headset. The employees are focused on their work. The image has a blue tint and a semi-transparent text overlay. 

Contact Centers are evolving,  
with **Customer Experience**  
at the core of this transformation.

## AI & Automation

# 42%

of Contact Centers aim to adopt AI by 2025\*. Why?

Automate repetitive task with chatbots and voicebots

Faster resolution times and 24/7 self-service support

Reduce human workload and operational costs

## Omnichannel communication

# Omnichannel is a must have.

Today, customers demand seamless and fluid interactions, expecting to switch effortlessly between channels website, like social media, email, and phone.

## Self-service

59%

of customers prefer self-service  
when they have a simple question or issue.\*

\*Source: Salesforce - Salesforce State of Service Report (2024)

But, true  
**Omnichannel**  
**CX** covers  
everything.

Complex  
issue
